

NADEAU

Family Vintners

2008 Grenache

The **Winery**

Nadeau Family Vintners is the result of years of effort by Robert Nadeau and his wife, Patrice. Together they renovated a tiny barn in the mountains west of Paso Robles, transforming it into an efficient, well-equipped micro-winery. Old-world styled vineyards have been planted on the slopes surrounding the building...most of the planting is dedicated to dry-farmed, head-trained Zinfandel, with an acre or so devoted to Grenache Noir and Petite Sirah. Situated at the top of Peachy Canyon, the property is generally above the morning fog and usually receives about twice the rainfall seen below in Paso Robles.

The **Wine**

The red wines of the southern Rhone Valley inspired the Nadeau Family Vintners' **2008 Grenache**. The grapes for the **Grenache** came from vineyards on the cooler “*west-side*” of the Paso Robles appellation.

A combination of French oak and American oak barrel-aging has lent the **2008 Grenache** lovely, soft oak tannins accompanied by subtle toasty-oak nuances. This wine will continue to develop wonderful bottle bouquet over the next few years.

Serve this medium-bodied wine with spicy and moderately hearty fare. Suits freshly grilled veggies, lamb, mild sausage (from the grill) as well as a variety of cheeses, etc. Eggplant Parmesan would certainly be a great match!

The **Blend**

100% Grenache

The **Vital Statistics**

100% Paso Robles Appellation

100% 2008 Vintage

Harvest date: September 27, and October 14, 2008

Finished Wine EtOH: 14.1% By Vol.

The two cuvees were fermented individually in open-top fermentors with commercial (proprietary) yeast. These grapes were fermented for 9 days on their skins, then pressed in a small, horizontal basket-press. This wine was minimally processed, meaning that the wine—upon completion of fermentation—was essentially left to its own devices. Aged in *Tonnellerie Demptos and TW Boswell “Legacy”* barrels for 22 Months, then racked, filtered and bottled *unfined*.

The 2008 Vintage yielded just 100 cases.
