

NADEAU

Family Vintners

2005 Mixed Black

Estate Reserve Blend

The Winery

Nadeau Family Vintners is the result of years of effort by Robert Nadeau and his wife, Patrice. Together they renovated a tiny barn in the mountains west of Paso Robles, transforming it into an efficient, well-equipped micro-winery. Old-world styled vineyards have been planted on the slopes surrounding the building...most of the planting is dedicated to dry-farmed, head-trained Zinfandel, with an acre or so devoted to Grenache Noir and Petite Sirah. Situated at the top of Peachy Canyon, the property is generally above the morning fog and usually receives considerably higher rainfall than seen below in Paso Robles.

The Wine

This full-bodied blend is comprised of Zinfandel, Petite Sirah, and Grenache – all from our Estate-grown fruit.

This wine is very similar to the 2002 bottling which was extremely well received. American and European barrel-aging has lent the **2005 Mixed Black** soft oak tannins accompanied by subtle spice nuances. This well-structured wine features a pleasant, round mouthfeel with dark fruit aromas and flavors. The Grenache provides the blend with a slight earthiness and pepper character, while the Zinfandel in the blend really pulls the fruity raspberry notes forward, and the Petite Sirah lends its' dark color and abundant soft tannins to the finished blend. This wine will certainly benefit from 3 to 5+ years in the cellar.

The Blend

2 Barrels Zinfandel
2 Barrels Petite Sirah
1 Barrel Grenache

The Vital Statistics

100% Paso Robles Appellation
100% 2005 Vintage
Harvest date: September & October, 2005

The three **estate** cuvees were fermented individually in open-top fermentors with commercial (proprietary) yeast. These grapes were fermented for 5 – 7 days on their skins then pressed in a small, horizontal basket-press. Racked using only a nitrogen blanket and/or gravity. Aged in *American and Hungarian Oak Barrels* for 25 months. Final blending in January, 2008 then racked, filtered and bottled *unfined* in February 2008.

The 2005 Vintage yielded just 99 cases.
